

COMMUNITY GARDEN - PROJECT BRIEF

This is a fictional sample created for Doc to Context.

Goal: grow vegetables and share weekly gardening lessons.

Start date: 12 April 2027.

Participants: 18 households.

Available space: 120 square metres.

Planned budget: 2,400 dollars.

The planning group has not selected a supplier yet.

The final water-access agreement is still pending.

COMMUNITY GARDEN - MEETING NOTES

Meeting date: 3 March 2027.

Confirmed volunteers: 11 people.

Raised beds: 8 beds planned for the first stage.

The first stage will use 80 square metres.

The remaining area is reserved for paths and storage.

Action: Alex will compare three supplier quotations.

Action: Mei will confirm water access by 20 March.

A final cost has not been approved.

Do not treat the planned budget as an actual expense.
